Gorkha-5, Gorkha, Nepal

PROFESSIONAL SUMMARY

Dynamic and results-oriented retail sales professional with over two and a half years of demonstrated experience as a Samsung Experience Consultant. Proven expertise in consultative product selling, customer relationship management, and consistent achievement of sales targets within competitive retail environments. Adept at translating technical product knowledge into customer-centric recommendations that drive revenue growth and brand loyalty. A motivated team contributor with strong communication skills and a commitment to delivering exceptional customer experiences.

WORK EXPERIENCE

Samsung Experience Consultant (SEC) Oct 2023 – Apr 2026
Samsung Nepal · Gorkha, Nepal

Rolling Plans Pvt. Ltd.	Oct 2023 – Jan 2025
Catalyst Management Service (CMS)	Feb 2025 – Apr 2026

- Conducted comprehensive product demonstrations and consultations across Samsung's smartphone, tablet, and accessories portfolio.
- Assessed individual customer requirements and delivered tailored product recommendations to maximise satisfaction and conversion rates.
- Executed merchandise displays and maintained planogram compliance to strengthen in-store brand visibility.
- Monitored daily and monthly KPIs, consistently achieving and surpassing designated sales targets.
- Maintained current knowledge of Samsung's latest product launches, features, and competitive landscape.
- Managed post-sales support and resolved customer inquiries within agreed service timelines.
- Cultivated long-term customer relationships to drive repeat business and brand advocacy.

Key Achievements

- Consistently surpassed monthly sales targets throughout the full tenure of employment.
- Developed in-depth technical expertise across Samsung's core product categories.
- Maintained exemplary customer satisfaction ratings across both contract periods.
- Contributed to measurable store sales growth and strengthened Samsung's brand presence in the Gorkha region.
